STAT

SUBJECT: Revision of DCID's

REFERENCE: Your memo to me, 4 January 1982, same

1. The existing DCID's on CI are being worked on by the DDO who were tasked both by us (at your original request) and then by you separately. The DDO will respond to you via the command chain.

2. As for new DCID's, since this is in part a function of national structure, we are awaiting further guidance from the DCI/DDCI for any special efforts desired. Such guidance is not expected soon.
